

Revised for U10 Players
**Red River Soccer Club Registration
For New and Returning Players!**

Red River Soccer Club is holding registration NOW for the 2009 Competitive Soccer Season.

Red River Soccer Club's competitive program is a competitive soccer club for girls and boys ages U10-19.

When is the Red River Soccer Club Season? RRSC plays up to 5 weekend tournaments during the Spring/Summer season (10 year olds play in 3-4 festivals/tournaments), with practices beginning April 1st at the coaches' discretion. Typically, RRSC participates in tournaments in the upper Midwest region. Teams generally practice 2-3 times per week.

Coaching- RRSC aims to have every coach licensed by the NDYSA and United States Soccer Federation.

Tryouts- Since RRSC is a competitive club, there will be tryouts if necessary and a second/third team will be formed if there are enough players. Tryouts will be held in January/February 2009. You will be notified of tryouts by the club and RRSC will also post the schedule on the club website: www.redriversoccer.org

Age requirements -Your age on July 31, 2008 determines the team for which you are eligible. U10 players must fall between the age ranges of 8-1-98 to 7-31-00. For example, if you are 11 years old and born between 8-1-97 to 7-31-98, your age bracket is U11. A birth age guide is located on the website at www.redriversoccer.org. Separate teams are formed for boys and girls, and we expect to form at least one team at each age.

Cost- The player registration fee for U10 players is \$325 and U11-19 players is \$425. **\$225 down payment fee is due with your registration form.** RRSC will refund the initial registration fee **ONLY** if we are not able to place your child on a team. A second payment of \$200 is due March 15th. **There is a \$25 late fee if your registration is not received on or before November 5, 2008** and this amount will not be put towards registration.

Uniforms- Adidas has discontinued the current uniform and will trade our current returning player's uniforms without cost. Families will be notified by email or letter regarding this process. All new players will be required to purchase a new uniform for the 2009 season. The cost is estimated at \$75.
