

## COMPETITIVE MEETING MINUTES

September 19, 2007

6:30 p.m.

Members present: Dan Dunn, Al Hager, Pete Cuadrado, Phil McClean, Chris Ohm, Daren Pladson, Karen Kahler, and Linda James.

- 1) Call to Order by Dan Dunn.
- 2) Pete Cuadrado provided an update on the competitive team tryouts which were held on September 17 and 18. He explained that the tryout process went well. Among other things, there were at least two neutral/objective evaluators assigned to every age group. Where there were a large number of players, Pete assigned up to four neutral/objective evaluators. Pete advised the head coaches that the Classic I rosters must be submitted to RRSC within seven days. Marlene, with the assistance of Mary Lou Anderson, will send out the team assignment letters as soon as the rosters are submitted.
- 3) Based upon the number of players, Pete will recruit additional coaches for the Classic II teams. For the Classic II teams that do not have full rosters, the committee will send out letters to players in those age groups. In addition, Pete will contact the recreational coaches to identify any players who may benefit from playing in the competitive program.
- 4) The registration forms for the U10 age groups have a deadline of December 31, 2007. The committee anticipates holding the evaluation sessions sometime in February of 2008. The committee may send out mailers or otherwise encourage players to sign up at the U10 age groups.
- 5) Meeting adjourned.
